

DOWNLOADING the MOBILE APP

You can use the *Colorful Choices* mobile app as a companion to the website. Log activity (simultaneously syncs with your online account), view recipes and team rankings on the go!

Log into Colorful Choices at <http://emory.colorfulchoices.com/>. You will see the “**Get the App!**” icon on the right side of the Getting Started page. This image will no longer be viewable once you download and log into the app on your smart phone.

Click the logo and go to Google Play or the App Store, search for the app (named Colorful Choices) and download. You can download and use the app on a tablet or smart phone. If you try to log onto the app without creating a mobile password on your website first, you will receive the following message on the mobile app:
