2018-19 is looking good

Emory’s annual benefits enrollment, held May 28 through June 8, 2018, provides you with an opportunity to review your current benefits and make any changes you need to for the upcoming year.

The good news for 2018-19 is that there are no significant changes to your health care coverage. Medical rates remain unchanged, dental rates will only see a minimal increase, and there are no increases in co-insurance, deductibles or co-pays. There are also no rate increases for vision.

While medical costs still continue to rise overall, Emory’s medical plan costs in the past year were much lower than in previous years. As a result, the University made the decision not to increase medical rates for Medical House Staff members in 2018-19.

Keeping costs down. When medical costs rise, it affects all of us. One way to help keep costs down is to make healthy choices. Getting your routine preventive care, eating a healthy diet, and exercising regularly can have a substantial impact on the cost of your health care in the long term.

Health and wellness programs such as the Move More Challenge and Know Your Numbers Biometric Screenings have made a visible difference here at Emory by engaging more employees than ever before in healthy behavior. 2018-19 brings even more health and wellbeing programs, providing you with additional tools to help you take care of yourself and be your healthiest!
This guide is meant to provide basic benefit plan information. Every attempt has been made to ensure that the information included in this guide is accurate. SPDs are available online at www.hr.emory.edu/benefits or by contacting the Benefits Department at 404-727-7613 for a printed version.

Your Benefits

As a Medical House Staff member at Emory, you have a wide range of benefit programs available to you. Benefits give you important financial protection when you need it most. Use this Benefits Guide to review the benefit programs that Emory offers so that you can make the choices that are right for you and your family.

Some benefits Emory offers are employer-provided and coverage is automatic if you are eligible. Other benefits give you choices and require you to enroll.

Employer-Provided Benefits

As an eligible Medical House Staff member, Emory automatically provides you with several benefits. Emory pays the full cost for single medical coverage, life insurance, long term disability coverage and accidental death insurance. You are not required to make any contributions for these benefits.

Emory also offers a variety of other benefits not covered in this guide, including employee discounts, the Faculty Staff Assistance Program and more. For the most current information, visit the Medical House Staff Benefits website at www.hr.emory.edu/eu/medhousebenefits/index.html.

Optional Benefits

In addition to employer-provided benefits, eligible employees may enroll in optional benefits including medical, dental, vision, flexible spending accounts and retirement plans. You contribute toward the cost of the optional benefits that you elect.

When Coverage Begins

For most benefits, coverage begins on an employee’s date of hire.

New Hires: If you are benefits-eligible, you must enroll during your first 31 days of employment with Emory. For optional benefits other than the 403(b), if you do not enroll during your first 31 days of employment, you will not receive coverage. Your next opportunity to enroll in optional benefits will be during the benefits annual enrollment period, typically held in June of each year for the upcoming year (i.e. June of 2018 for the 2018-19 plan year).

Current Employees: If you are a current benefits-eligible Medical House Staff member, each year you have an opportunity to review your benefit elections during the benefits annual enrollment period and make changes for the upcoming plan year.

When Coverage Ends

For most benefits, coverage will end on the last day of the month in which:

- Your regular work schedule is reduced to fewer than 20 hours per week;
- Your employment with Emory ends due to resignation, termination or death;
- You stop paying your share of the coverage; or
- You are no longer a Medical House Staff member.

Your dependent(s) coverage ends:

- When your coverage ends, or
- The last day of the month the dependent is no longer eligible:
  - For Dependent Child(ren) (up to age 26), end of the month in which they turn 26.
Eligibility

You are eligible for benefits if you are a regular full-time or part-time Medical House Staff member scheduled to work 20 hours or more per week. Full-time temporary positions on a six-month or longer assignment are eligible for medical, dental, vision and life insurance, but not disability.

If you elect coverage, your dependents are also eligible for medical, dental, vision and life insurance coverage. Eligible dependents include:

- Your legal spouse.
- Your legal child(ren): includes your natural, adopted or foster child(ren), stepchild(ren), or any child for whom you have legal custody. They are eligible:
  - Up to age 26.
  - Regardless of age, if fully disabled and unmarried, provided he/she became fully disabled either:
    - prior to age 19; or
    - between the ages of 19 and 26, if that child was covered by the plan when the disability occurred.

Dependent Verification of Eligibility

When you first enroll, or if you change coverage mid-year due to a qualified IRS family status change, you are required to provide documentation substantiating the eligibility of your dependent(s) within 31 days of the change or enrollment.

If documentation is not received within 31 days, a letter will be mailed to you requesting the documentation within a given deadline. Refer to the chart below for a list of events which require documentation.

### Dependent Verification of Eligibility Documentation

</tr>
<tr>

You must provide the documents listed above to the Benefits Department within 31 days from your initial election or mid-year family status change if one of the above situations applies to you and your family. If documentation is not received in a timely manner, the election/change requested will not be processed and the affected dependents will not be covered under Emory’s plans. Legible copies of required documents are acceptable.
How to Enroll

Current Employees

You must enroll during the annual enrollment period: Monday, May 28 through Friday, June 8, 2018. Prior to enrolling, be sure to review all of the annual enrollment materials available on the enrollment website at www.hr.emory.edu/mhsenrollment. An Enrollment Checklist is provided on page 5 to assist you. If you have questions or would like more information about Emory’s benefit programs, you can contact the Benefits Department at 404-727-7613.

Enroll Online

You can enroll online through Self-Service (http://leo.cc.emory.edu) at any computer that has Internet connectivity. To access Self-Service, you will need your network ID and password. If you do not know your network ID or password, call the Libraries and Information Technology Help Desk at 404-727-7777 (available Monday – Friday, 7:00 a.m. to 6:00 p.m.).

Steps to Enrolling Online

1. Log on to Self-Service at http://leo.cc.emory.edu. Note: Duo Security Two-Factor Authentication is required to log in to Self-Service from outside the Emory network. If you have not yet enrolled for Duo, instructions can be found at: it.emory.edu/duo.
2. From this page, click the Benefits tile, then click Benefits Enrollment.
3. Click Select to view your current elections and complete the tobacco-use surcharge certification:
   - Your certification page will display.
   - Verify or update the information and click Agree to record your responses.
4. Change your elections by clicking Edit beside a particular plan and follow the prompts to view and/or change your current coverage. You may also enroll, add or drop dependents.
5. After editing your current coverage in each plan, your new elections, covered dependents and payroll deductions will be displayed.
6. You will be prompted at the bottom of the page to Continue to finalize your elections.
7. Click Submit after reading the Authorize Elections Statement. Note: You have not enrolled until you click Submit.
8. Click View/Print Confirmation to bring up a printable pdf confirmation page. Make sure to save a copy of your confirmation page and carefully review it for accuracy. The Benefits Department will not mail printed confirmations to your home address so this confirmation is your only record. After July 1, 2018, most elections cannot be changed (except within 31 days of a family status change).

New Hires

You may enroll online during your first 31 days of employment. Note: There may be days when you can’t enroll such as payroll run days. Emory offers numerous tools and resources to help you make your benefit selections. You can also contact the Benefits Department with your questions at 404-727-7613.
Enrollment Checklist

☐ Take some time to learn about all of the benefit options that are available to you. Read this 2018-19 Benefits Guide carefully as you consider your plan choices. Emory provides a variety of tools and resources to help you make your benefits decisions. These tools can be accessed online at www.hr.emory.edu/mhsenrollment.

☐ New hires only, decide if you want to enroll in a Flexible Spending Account (Healthcare and/or Dependent Day Care). Your FSA election will be for July 1, 2018 through December 31, 2018 only. You will be given the option to re-elect in the fall for the 2019 calendar year.

☐ Actively enroll online through Self-Service (http://leo.cc.emory.edu) during the enrollment period: May 28 through June 8, 2018. Changes are effective on July 1, 2018. If you are currently enrolled in medical benefits and don’t make a new medical plan election, your current coverage will roll over.

☐ Complete the tobacco surcharge certification, if not already done.

☐ Review your beneficiary(ies). Make any necessary updates to ensure the accuracy of your beneficiary information for life insurance and accidental death and dismemberment insurance.

☐ Once you have completed your enrollment online, save or print a copy of your confirmation statement, review it for accuracy, and retain it for your records. The Benefits Department will not mail confirmations to your home address so this is your only record of your enrollment.

☐ Verify your 2018-19 benefits elections after Friday, June 15, 2018 by reviewing your Benefits Summary in Self-Service (http://leo.cc.emory.edu). You will receive an email reminder. If you notice any errors, notify the Benefits Department immediately at 404-727-7613. After July 1, 2018, most elections cannot be changed except within 31 days of a family status change.
Making Changes

The IRS provides strict regulations about changes to pre-tax elections during the plan year. If you experience a qualified IRS family status change mid-year, you are permitted to make a change within 31 days of the event.

If the change request is not completed within 31 days of the event, you will not be able to change your elections until the following year’s benefits annual enrollment period. Below is a list of some of the more commonly known qualified family status changes:

- Marriage, divorce or annulment
- Birth of a child
- Placement of a foster child or child for adoption with you, or assumption of legal guardianship of a child
- Change in your spouse’s or dependent’s employment status that affects benefits eligibility, including termination or commencement of employment, or change in worksite
- You or your spouse returns from unpaid leave of absence
- You or your dependent becomes eligible or loses eligibility for Medicare or Medicaid
- The death of your spouse or dependent
- Court ordered coverage of your child by you or your spouse, allowing you to add or drop the child’s coverage
- Change in your employment that affects benefits eligibility (working at least 20 hours per week)
- Loss of eligibility for a dependent
- Change in dependent care provider or cost for Dependent Care Flexible Spending Account

The change you request must be consistent with the qualifying event. Some mid-year changes require documentation which must also be provided within 31 days of the event.

Completing a Family Status Change

Family status changes are completed online in Self-Service (http://leo.cc.emory.edu). Should you have questions or difficulty making your change mid-year, please contact the Benefits Department within 31 days of your qualifying event.

You can reach the Benefits Department at 404-727-7613. Office hours are: Monday, Tuesday, Thursday and Friday: 8:00 a.m. to 5:00 p.m. and Wednesday: 8:00 a.m. to 3:00 p.m. Benefits Department, 1599 Clifton Road, 1st Floor.

For more information about making changes to your benefits due to family status changes, visit the Benefits website at www.hr.emory.edu/benefits.
Medical Coverage

Emory offers comprehensive medical coverage to help protect you and your family from catastrophic medical costs. Use the information contained in this guide to learn how this plan works, the coverage it provides, and how to use it to best meet the needs of you and your family.

The POS Plan

The POS Plan is a conventional medical plan where members pay co-pays for some services (co-pays are fixed fee amounts that you pay at the time you receive services). The POS Plan also uses co-insurance for some services (co-insurance is the portion of expense you must pay for care, in most cases, after meeting your deductible). The deductible is a set amount that typically you must pay before co-insurance starts. See page 10 for deductible amounts.

The POS Plan allows members to receive services from a national network of providers and facilities. It is an open access plan that:

- Provides the flexibility to choose any provider
- Does not require that a Primary Care Physician (PCP) be identified or selected
- Does not require a PCP referral to see a specialist

The POS Plan has three network options:

1. **Emory Healthcare Network (EHN):** providers give you the maximum benefit available under the plan, with lower co-pays, co-insurance and deductibles. For a list of EHN providers, see page 20.

2. **Aetna National (In-Network):** providers and facilities are part of the medical plan through Aetna. Co-pays, co-insurance and deductibles are higher than with the EHN.

3. **Out-of-Network:** providers and facilities that are not participating with Aetna are considered Out-of-Network. Costs are the highest.

To locate an EHN or In-Network physician/facility, go to [www.aetna.com/docfind/custom/emory](http://www.aetna.com/docfind/custom/emory).

EHN and In-Network preventive care is covered at 100% and is not subject to the deductible. For certain other medical services, such as diagnostic labs, hospitalization or radiology, the plan pays a portion of your covered expenses: 85% for Emory Healthcare Network (EHN), 75% In-Network (Aetna National) and 50% percent Out-of-Network after you pay the annual deductible. Office visits are covered with a co-payment. Prescription drugs are covered through co-insurance.

The POS Plan also has an out-of-pocket maximum to protect you in the event you have significant medical expenses during the year. The out-of-pocket maximum includes all co-pays, as well as deductible and co-insurances, such as prescription drug costs and office visit co-pays.

Preventive Care

Preventive care can help you identify potential health risks before they become real health problems. Services include annual physicals, well-child visits, immunizations, health screenings and more. Go to [www.hr.emory.edu/mhsenrollment](http://www.hr.emory.edu/mhsenrollment) for a complete list of preventive care services.
POS Plan Prescription Drugs

Prescription drug coverage is part of your medical plan and you pay a percentage of the cost through co-insurance. There is also a retail minimum and a retail maximum within a five-tier structure (see chart on the right). You will pay the co-insurance amount subject to the retail minimum and maximum cost. You do not have to meet your deductible first.

Prescription drug coverage is administered through CVS/caremark. To determine your coverage tier or cost, call 866-601-6935.

Maintenance Drugs

If you take any maintenance prescription medications to treat certain ongoing medical conditions, you will need to fill your 90-day prescriptions in one of three ways:

- Through CVS/caremark’s mail order service;
- At a CVS retail pharmacy location; or
- At an Emory pharmacy.

Note: If you attempt to fill a maintenance drug at a pharmacy other than CVS or Emory, you will be charged the full retail cost.

TIP: Save Money on Your Prescriptions: One way to save on costs is to buy generic drugs. Always ask your doctor and/or pharmacist if a generic version is available.

Tier Zero Prescription Drugs

The POS Plan offers Tier Zero for prescription drugs. With Tier Zero, prescription medications used to prevent and treat chronic health conditions such as congestive heart failure, diabetes, high blood pressure, high cholesterol, tobacco addiction and more, are covered at 100% which means you pay $0 for these drugs. See page 22 for the current list of Tier Zero medications.

Premium Assistance Under Medicaid and the Children’s Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you are eligible for health coverage from Emory, the State of Georgia may have a premium assistance program that can help pay for coverage. States use funds from Medicaid or CHIP programs to help those who are eligible for these programs, but also have access to health insurance through an employer. For more information, go to: www.hr.emory.edu/eu/docs/chip-notice.pdf.

Tobacco Surcharge

To support the health and wellness of our faculty and staff, Emory has implemented a $50 per person monthly tobacco-use surcharge on medical contributions for employees and their spouses who are covered by an Emory medical plan and use tobacco products.

You must certify online in Self-Service whether or not you and your spouse have used tobacco within the last 60 days. The per person tobacco-use surcharge will be waived if:

- You certify that you and/or your spouse have not used tobacco within the last 60 days; OR
- You are currently being treated by a physician for a medical condition such as nicotine addiction. In this case, you will need to complete and return a Tobacco Free Physician Affidavit to the Benefits Department. This form is available on the annual enrollment website at: www.hr.emory.edu/enrollment.

Flexible Spending Accounts

Out-of-pocket expenses for medical care and dependent day care can be difficult to manage. Emory offers two types of Flexible Spending Accounts to help you set aside pre-tax funds to pay for these expenses.

OPEN TO NEW MEDICAL HOUSE STAFF MEMBERS ONLY!

A Flexible Spending Account (FSA) is funded with money you contribute on a pre-tax basis. You can use FSA funds to pay for qualified out-of-pocket health care costs for you and eligible dependents or dependent day care charges. According to IRS regulations, each year you must enroll during your benefits annual enrollment period if you want to participate in either a Healthcare FSA or a Dependent Day Care FSA. Aetna/PayFlex is Emory’s Flexible Spending Account Administrator. Your 2018 election will be for expenses from July 1, 2018 through December 31, 2018.

Remember: New and current Medical House Staff Members must re-enroll in the fall for 2019 Flexible Spending Accounts.

Healthcare FSA

You can contribute between $200 and $2,600 pre-tax annually into the Healthcare FSA. All money you elect to contribute is accessible immediately and can be used to cover out-of-pocket costs such as:

- Medical expenses: co-pays, deductibles, co-insurance
- Dental expenses: deductibles and co-insurance
- Vision expenses: prescription glasses, contact lenses, co-pays
- Prescription drug costs
- Over-the-counter drugs with a prescription

Grace Period for Healthcare FSA

The risk of forfeiting money from your Healthcare FSA has been reduced by a grace period (extra time in the following year to use your FSA money). For those with a current 2018 FSA, you will be able to use any remaining balance in your Healthcare FSA at the end of 2018 to pay for expenses incurred through March 15, 2019. Any 2018 Healthcare FSA funds not used by March 15, 2019 will be forfeited. To avoid forfeiture, purchase items such as eyeglasses, contact lenses and other approved Healthcare FSA expenditures. Reimbursement requests using your previous year’s remaining Healthcare FSA balance must be filed by May 15, 2019. Please remember to keep all of your receipts and Explanation of Benefits from insurance companies as they are required for verification of expenses.

Dependent Day Care FSA

Money you contribute into a Dependent Day Care FSA can be used toward care for a child under age 13, a physically or mentally disabled parent or child, or elder care for tax-qualified dependents. If you’re single or married and filing a joint tax return, you can contribute up to $5,000 into this FSA. If you’re married and file separately, you can contribute up to $2,500. If you are a highly compensated employee under the IRS definition (i.e. you had Emory earnings of more than $120,000 for 2017), you are restricted to an annual contribution of no more than $2,400. Unlike the Healthcare FSA, you can only access the money that is currently in your account. To qualify for reimbursement, these expenses must be incurred so that you and/or your spouse can work or go to school.
Flexible Spending Accounts

No Grace Period for Dependent Day Care FSA

If you have a Dependent Day Care FSA, you do NOT have a grace period in which to use remaining previous year balances. All expenses must occur before December 31, 2018 and claims for 2018 Dependent Day Care FSA must be filed no later than May 15, 2019, to receive reimbursement. File by the May 15th deadline to avoid forfeiture of your 2018 FSA funds.

Aetna/PayFlex Debit Card

All new FSA participants will automatically receive a new debit card in the mail for 2018. Please activate the card when you receive it. Current FSA participants who elect FSAs for 2018 will have their new balances loaded onto their existing card. The use of the card is for convenience only. IRS guidelines still require you to retain receipts for any eligible expense for which you receive reimbursement. On occasion, Aetna may request verification of expenses and you will need to submit appropriate documentation for the expense. If not received, the card will be deactivated until the expense can be substantiated as eligible under IRS definitions. Check with Aetna to determine what supporting documentation is required. You can manage your account online at www.aetnanavigator.com.

GET REIMBURSED

Getting reimbursed from your FSA is easy. Just follow these steps:

1. Register on Aetna’s website at www.aetna.com to download your medical or dental Explanation of Benefits (EOB).
3. Enroll in direct deposit.
4. Follow the steps to upload documents.
5. Receive reimbursement in a few days.
Dental Coverage

For 2018-19, you may elect the Aetna Traditional Dental (PPO). Details of the plan are provided below.

Plan 1 - Aetna Traditional Dental (PPO) Plan

The Aetna Traditional Dental (PPO) Plan is a traditional dental plan that allows you to see any dental provider. Some services require you to pay the deductible and applicable co-insurance. The deductible is a set amount that typically you pay before co-insurance starts. Co-insurance is the portion you must pay for services, in most cases, after meeting your deductible. Features of this plan include:

- Flexibility to choose any provider. This plan has a large number of In-Network providers.
- Reimbursements for most Out-of-Network claims.
- Preventive services received by either In-Network or Out-of-Network providers are covered at 100% up to reasonable and customary levels.

Some examples of routine preventive services include:

- Oral examinations
- Routine, deep cleanings and polishing (deep cleanings, or full mouth debridement, CPT 4355, are covered under preventive services as a replacement for one of your routine cleanings once in a 24 month period of time)
- Fluoride
- Sealants (permanent molars only)
- Bitewing X-rays
- Full Mouth Series X-Rays
- Space Maintainers

### Vision Coverage through your Medical Plan

Medical House Staff members enrolled in Emory’s medical plan receive one routine vision exam per calendar year at an optometrist or ophthalmologist. Because an annual vision exam is considered preventive care, it is covered at 100%. Locate a participating vision provider at www.aetna.com/docfind/custom/emory.
Life Insurance

Emory provides basic life insurance for all eligible Medical House Staff, eligible spouses and dependent children. Coverage for dependent children may continue through the age of 26, provided the child is not married.

Coverage is provided at no cost to you. Enrollment is automatic for you but you must enroll your dependents. Life insurance benefits are administered by The Standard Insurance Company.

Accidental Death and Dismemberment

Emory provides Accidental Death and Dismemberment Insurance for all eligible Medical House Staff in the amount of $50,000.

This insurance pays a benefit in the event of loss of life, loss of the use of more than one member (one arm, hand or foot) or the loss of sight in both eyes. Loss of sight means legal blindness. One-half of the full benefit amount is payable for loss of the use of one member or the loss of sight in one eye.

Long Term Disability (LTD)

Emory offers a long term disability benefit through UNUM. This benefit provides an income in the event you become disabled due to an injury or illness that is not work-related.

With long term disability (LTD) coverage provided by Emory, you can receive a benefit equal to 60% of your base salary in the event you are unable to work due to a non-work-related injury or illness. With LTD there is a 90-day elimination period. Emory’s LTD coverage has a monthly maximum benefit of $5,000. It is automatically provided on your date of hire in a benefits-eligible status. For LTD coverage, the 60% salary benefit is taxable to the recipient as LTD is employer paid.

Designate a Beneficiary

Since Emory provides you with life insurance benefits, you should designate a beneficiary. Your beneficiary is the person(s) who will receive your life insurance benefits when you die. Your beneficiary can be a person or multiple people, charitable institutions or your estate. Once named, your beneficiary remains on file until you make a change. If your family situation changes, you will want to review the beneficiaries on file and make updates if necessary. If you do not name a beneficiary, your life insurance benefits will be distributed in accordance with the policy. Use Self-Service to designate a beneficiary.
Other Benefits

You have access to a wide range of policy and rider insurance products through AFLAC. Coverage is portable in the event that you leave Emory. For more information or to schedule an appointment to receive a personal quote, call AFLAC at 877-384-3344 or visit online at www.aflac.com/emory.

Home & Auto Insurance

Emory provides access to this voluntary coverage through MetLife for home and auto insurance. This coverage is available at group rates that are lower than those typically available to individual policy holders. You have access to a wide range of personal property and casualty insurance products through MetLife. You may get coverage for your automobile, boat, motor home or recreational vehicle. 529 Plans for College Savings

The Georgia Higher Education Saving Plan (529 Education Plan)

If you’re making future education plans for your child or other beneficiary, the Georgia Higher Education Savings Plan offers a low-cost way to save money for a child’s college education. Contributions to the plan are made on an after-tax basis, but earnings are tax free if they are spent on qualified educational expenses. Participants can open an account by payroll deduction, with as little as $15 per fund. While there is no annual contribution limit, there is an overall maximum account balance limit of $235,000. You can enroll in the plan at any time. For more information, call 877-424-4377 or visit www.path2college529.com.

The Private College 529 Plan

The Private College 529 Plan, sponsored by more than 270 private colleges across the country (including Emory), is a pre-paid tuition plan. The plan allows families to purchase tuition at today’s prices that can be used at any member school tomorrow, for up to 30 years, and the increase in value is tax free. The plan protects families from tuition increases and market volatility. Account owners pay no fees so 100% of contributions go toward the purchase of tuition. Participants can enroll in the plan at any time and contribute as little as $25 a month. Enroll in and view member schools at www.tomorrowstuitiontoday.org or call 888.718.7878.
Retirement Savings

Retirement may be just around the corner or may be far on the horizon — but it is never too late or too early to start saving. Emory encourages you to take care of your future by planning well today.

To assist employees in saving for retirement, Emory is pleased to offer a 403(b) Savings Plan and 403(b) Roth.

403(b) Savings Plan

A 403(b) plan is a tax-deferred retirement plan available to employees of educational institutions and certain non-profit organizations. Contributions and investment earnings grow tax-deferred until withdrawal, assumed to be retirement, at which time they are taxed as ordinary income.

Emory’s 403(b) savings plan allows employees to contribute a percentage of pre-tax pay, and receive a basic contribution and matching contribution from Emory. Emory’s 403(b) savings plan offers you “Four Ways to Invest.” From the simplest of options, or mixing and matching to develop your own investment mix, you can create the retirement portfolio that is right for you. You can choose to invest with one or all three of Emory’s retirement plan vendors: Fidelity Investments, TIAA, and/or Vanguard. For more information, visit the Benefits website at www.hr.emory.edu/eu/medhousebenefits/index.html. Also read the Discover Your Retirement Options Guide, located on the web.

403(b) Roth

The 403(b) Roth allows individuals to save for retirement by contributing after-tax dollars. At the time of distribution, in retirement, the withdrawal of your contributions are tax-free; however, the earnings on any contributions are taxed unless your account has been open at least five years and you have reached age 59 1/2.

Employees have the option of directing 403(b) contributions to either the 403(b) Savings Plan or the 403(b) Roth, or some combination of the two plans that does not exceed that year’s contribution limits set by the IRS.

Vesting

Your contributions are always 100% vested.

How to Enroll

You can enroll in the 403(b) Savings Plan or 403(b) Roth at any time throughout the year (enrollment is not limited to the benefits annual enrollment period).

Enroll using Self-Service (http://leo.cc.emory.edu). You can also make changes to your contribution amounts at any time throughout the year using Self-Service. Visit www.hr.emory.edu/eu/medhousebenefits/index.html for more information.

Retirement Counseling Sessions

Fidelity Investments, TIAA and Vanguard offer individual retirement counseling sessions on campus throughout the year. To view the counseling schedule and to make an appointment, visit the benefits website: www.hr.emory.edu/benefits.
