Ways to Get Involved

The EUEC seeks to meet the needs of its members. Membership is open to those in the Emory community as well as friends of Emory University. Persons with Emeritus status may apply for Regular membership; others are categorized as Associates, Affiliates, or Friends. For more information about membership, about participating in or attending a program or event, serving on an EUEC committee, or volunteering for events and office administration, please call 404.712.8834.

Circle of Founding Members & Executive Committee Members at 10-Year Celebration

Emory University Emeritus College (EUEC) is an association of Emory University’s retired faculty and administrative staff who have joined together to advance their intellectual interests, to serve the University, and to maintain social contact with University colleagues. Established in 2001, the EUEC’s purposes are achieved through discussion, lectures, service projects, support for ongoing research and recognition of the achievements of its members. Many programs are open to the public.

To view EUEC’s calendar of events, visit: www.emory.edu/emeritus
The EUEC continues to grow and add new programs each year. The EUEC staff works in conjunction with an active Executive Committee, whose members include emeriti and active Emory faculty from various academic units of the University.

**Coffee/Lunch Discussions** are held at The Luce Center, 825 Houston Mill Road in Room #130. Presenters share topics that elicit spirited dialogue. Coffee is held from 9:30-11:00 a.m. every first Monday and lunch is held from 11:30 a.m. -1:00 p.m. every third Monday.

**Distinguished Emeritus/Service Awards** Each year the EUEC recognizes up to four members for contributions to Emory University or to the wider community that reflects the “spirit of Emory.” The Distinguished Service Award is bestowed to members with significant collegial engagement since retirement.

**Heilbrun Fellowship** Two, year-long fellowships, that support the research of emeritus faculty in the Arts and Sciences, are funded by a generous gift from the family of Alfred B. Heilbrun, Professor Emeritus of Psychology. An annual reception provides the opportunity to acknowledge the recipients’ continuing research and scholarship beyond retirement.

**Living History** consists of professionally taped audio and video interviews with Emory emeriti for the purpose of chronicling Emory’s history. These recordings become part of Woodruff Library’s permanent collection on the history of Emory.

**Sheth Distinguished Lecture** Thanks to a generous gift from Dr. Jagdish and Madhu Sheth, the Emeritus College presents an annual lecture and luncheon, featuring speakers from both within and around the Emory community on the topic of Creativity in Later Life.

**Women’s Conversations** “Continuing the Conversation on Mid- and Late-Life Transitions” is cosponsored by the EUEC with the Emory Center for Women. Conversations unites Emory emeritae, women faculty and staff several times annually.

In addition to regular programming, many EUEC members are involved in the work and activities of the EUEC’s Standing Committees:

- Awards and Honors
- Development
- Research
- Service
- Teaching and Lecturing
