April 2012 Update

**Emory Bestows 2012 Award of Distinction**
Twelve members of the Emory community were honored for their outstanding contributions to the University on March 27.

**Enhanced Clinic Access for Emory Employees**
Emory offers two programs geared toward expedited employee access: Emory’s Patient-Centered Primary Care Clinic and 8-EVIP.

**Elder Care Fair**
The Centers for Disease Control & Prevention have extended an invitation to all Emory employees and their family members who would like to attend their upcoming Elder Care Fair.

**Earth Month**
Emory Hosts Earth Month Activities

**2012 Annual Spring Research Career Fair for Research Professionals**
The 2012 Research Career Fair is designed to provide professionals within the research community an opportunity to learn more about research careers at Emory. Applicants are able to meet face-to-face with representatives from various Emory research departments.

**Finance Matters: Two Workshops in April**
Emory WorkLife Resource Center announces two "Finance Matters" workshops for April: "Take Charge of Your Credit" and "Developing Your Savings Plan for Retirement."

**6th Annual Summer Internship Program**
Emory Temporary Services announces the 6th Annual Summer Internship Program. It is intended to provide students and departments with an exchange of service, training and valuable work experience.
