

Haiti Relief Conservation Challenge

Your Energy Reduction Yields Rewards

and sends two student research teams to Haiti, here's how:

All cost savings from reduced electricity usage from March 1–31 of this year compared to the same period last year will be redirected to a fund managed by Global Health Institute to fund two cross-university student research projects in Haiti that will improve access to chlorinated water and assess mental health needs.

Send our students to Haiti for beneficial health research

ENERGY SAVING TIPS

- Respect Emory's thermostat policy: 74 degrees in summer; 68 degrees in winter
- Give your computer a coffee break. Click monitors off.
- Watch your watts. Unplug phone chargers.
- Watch your watts. Turn off the lights.
- One flight up, two flights down. Take the stairs.
- Got a fume hood? Lower your sash.

The campus-wide energy reduction campaign runs from March 1–31. Campus Services will measure energy use in campus buildings—academic, administration and residence halls. Get on board!

Get your coworkers, hall mates, students and friends to make good energy savings decisions.
