

Women's Health and Wellness Series Presents:
Risk Factors and Prevention of Breast Cancer

Sponsored by The Center for Women and Winship Cancer Institute

PREVENT IT • TREAT IT
BEAT IT.

Dr. Ruth O'Regan is associate professor of hematology and medical oncology and director of Emory Winship's translational breast cancer research program. She will be presenting on breast health and awareness. Bring your lunch and bring a friend!

Wednesday, October 20
Cox Hall Ballroom, Room 5
Noon - 1 p.m.
Snacks will be served.
