# America Recycles Week

NOVEMBER 8-15, 2010

EVENTS FOR  
EVERYONE!

- **Campus Services Destination Zero Waste** – Campus Services (CS) buildings outfitted for composting to support Emory's closed loop program with Greenco Environmental. The resulting compost is then used by CS Grounds Department for semi-annual seasonal plantings and soil preparation on new construction sites.
- **Animal Bedding Composting Pilot** – School of Medicine Department of Psychiatry, Briarcliff Campus
- **Emory Police Department** – Cell phone recycling with Georgia Coalition Against Domestic Violence
- **Emory University Hospital** – Outfitted for exterior recycling in dining area
- **Electronic Waste Recycling** – E-waste will be collected in the lobby and in Surplus Properties of Briarcliff Building A all week
- **White Paper Campaign – White is GOLD** Campus-wide initiative which drives revenue to Emory University through the sorting and recycling of white paper
- **Sustainable Office Tool Box** – Best practices for keeping a green office and supporting desk side recycling in your office
- **Offices of Sustainability Initiatives & University Events** – Commit to waste diversion by making your events certified by supporting the *Certified Green Events Program*
- **Barnes & Noble Textbook Drive** – Repurpose your textbooks at Oxford Road Building bookstore. Ongoing drive that continues until semester end, 2010
- **Junk Mail Drive** – Central mail locations outfitted to weigh unwanted mail that comes to Emory in one week!
- **Piedmont Project:** Green Team students will present information on waste diversion in Emory classrooms
- **Emory Procurement and Payment Services** – Research building loading docks will be outfitted with containers to collect reusable ice packs from Emory lab spaces and returned to Fisher Scientific

## Emory Cares Service Day, November 13, 2010

Volunteers and Emory Recycles representatives will outfit buildings with additional recycling equipment, labeling, and signage for more efficient recycling.

### Emory Dining Initiatives

November 8 – 15, 2010

- **Tray Less Dining at DUC Dining** to support minimization of post consumer food waste
- **Weigh the Waste** to measure food residuals that are diverted from the landfill through composting at DUC Dining
- **Emory Dining Green Team Presentations** in Emory classrooms on the importance of waste diversion through composting and recycling
- **Emory Farmer's Market**  
November 9, 2010
  - Composting Cox Hall Patio
  - Free Personal Document Shredding
  - Green Office FREE Exchange - Bring unwanted office supplies from your office, home, or dorm and take office supplies and electronics you need
