

New Child Care Resources for Emory Employees

For many Emory faculty and staff parents, the COVID-19 pandemic has made back-to-school more challenging. That's why Emory HR Work Life is pleased to announce several new options that may help you and your family during this time.

1 - YMCA at Miller-Ward Alumni House

This new program at the Miller Ward Alumni House is run by the YMCA and is open to employees of Emory University and Emory Healthcare. YMCA staff will support children (grades K-6) in completing their online/remote learning. Children also will be kept active and enjoy fun activities throughout their day, and after their virtual school day is complete.

The Y will adhere to **all health and safety protocols**, including daily pre-screening questionnaires and temperature checks, small groups, social

distancing, daily deep cleaning and required mask-wearing for all participants and staff ([see details](#)).

- Hours: 8:00 am – 4:00 pm (with options of before and after care available 7:00 am – 6:30 pm)
- Cost: \$39/day (non-YMCA members will pay a one-time membership fee)

Space is limited and on a first-come, first-served basis. [Register now.](#) Select Emory at Miller Ward House from the dropdown location list, and then on the next page, select your preferred dates. Note: This location is listed as Carl E. Sanders Family YMCA at Buckhead, Out of School Time: After School – Y Campus Connection – Emory @ Miller Ward.

2 - Emory Employee-Student Job Network Resume Books

As an extension of the [Emory Employee-Student Job Network](#), you can review a book of resumes from Emory undergraduate students who are seeking part-time work for childcare and tutoring services. The students are available in person and virtually. Please submit your request for the resume books by contacting the Work Life Department via email at worklife@emory.edu.

3 - Komae, Cooperative Childcare App

Komae is an app that provides flexible care options for Emory parents at home. Komae enables parents to identify and vet families with similar parenting styles and COVID-19 hygiene practices to build a pod for shared childcare and education. Learn more about Komae and join your Emory University group [here](#). You can also learn more about Komae by attending an upcoming virtual Meet and Greet Session:

- [Tuesday, September 1, 12:00 pm](#)
- [Wednesday, September 2, 7:00 pm](#)
- [Wednesday, September 9, 12:00 pm](#)

For additional resources, please continue to check our webpage, [Child Care and Educational Resources During COVID-19](#).

If you have questions or need individual support in finding child care options, please contact us for a WorkLife consultation at worklife@emory.edu. We are committed to supporting you during this difficult time.

Emory University is providing the list of childcare options above as a convenience to its employees; Emory University does not own or operate any of the child care facilities; and by providing the list of child care options, Emory University is not endorsing a childcare option.
