Dental Coverage

For 2019-20, you may elect the Aetna Traditional Dental (PPO). Details of the plan are provided below.

Plan 1 - Aetna Traditional Dental (PPO) Plan

The Aetna Traditional Dental (PPO) Plan is a traditional dental plan that allows you to see any dental provider. Some services require you to pay the deductible and applicable co-insurance. The deductible is a set amount that typically you pay before co-insurance starts. Co-insurance is the portion you must pay for services, in most cases, after meeting your deductible. Features of this plan include:

- Flexibility to choose any provider. This plan has a large number of In-Network providers.
- Reimbursements for most Out-of-Network claims.
- Preventive services received by either In-Network or Out-of-Network providers are covered at 100% up to reasonable and customary levels.

Some examples of routine preventive services include:

- Oral examinations
- Routine, deep cleanings and polishing (deep cleanings, or full mouth debridement, CPT 4355, are covered under preventive services as a replacement for one of your routine cleanings once in a 24 month period of time)
- Fluoride
- Sealants (permanent molars only)
- Bitewing X-rays
- Full Mouth Series X-Rays
- Space Maintainers
