A Group Policy has been issued to the Policyholder. We certify that you will be insured as provided by the terms of the Group Policy. If your coverage is changed by an amendment to the Group Policy, we will provide the Policyholder with a revised Certificate or other notice to be given to you.

This policy includes an Accelerated Benefit. Death benefits will be reduced if an Accelerated Benefit is paid. The receipt of this benefit may be taxable and may affect your eligibility for Medicaid or other government benefits or entitlements. However, if you meet the definition of "terminally ill individual" according to the Internal Revenue Code Section 101, your Accelerated Benefit may be non-taxable. You should consult your personal tax and/or legal advisor before you apply for an Accelerated Benefit.

Possession of this Certificate does not necessarily mean you are insured. You are insured only if you meet the requirements set out in this Certificate. If the terms of the Certificate differ from the Group Policy, the terms stated in the Group Policy will govern.

"We", "us" and "our" mean Standard Insurance Company. "You" and "your" mean the Member. All other defined terms appear with the initial letter capitalized. Section headings, and references to them, appear in boldface type.

If all or part of a claim is denied, the claimant may request a review. The claimant must request a review in writing:

1. Within 180 days after receiving notice of the denial of a claim for Waiver Of Premium (or other benefits based on disability);
2. Within 60 days after receiving notice of the denial of any other claim.

The claimant may send us written comments or other items to support the claim. The claimant may review and receive copies of any non-privileged information that is relevant to the request for review. There will be no charge for such copies. Our review will include any written comments or other items the claimant submits to support the claim.

We will review the claim promptly after we receive the request. With respect to all claims except Waiver Of Premium claims (or other benefits based on disability), within 60 days after we receive the request for review we will send the claimant: (a) a written decision on review; or (b) a notice that we are extending the review period for 60 days.

With respect to Waiver Of Premium claims (or other benefits based on disability), within 45 days after we receive the request for review we will send the claimant: (a) a written decision on review; or (b) a notice that we are extending the review period for 45 days.

If an extension is due to the claimant’s failure to provide information necessary to decide the claim on review, the extended time period for review of the claim will not begin until the claimant provides the information or otherwise responds.

If we extend the review period, we will notify the claimant of the following: (a) the reasons for the extension; (b) when we expect to decide the claim on review; and (c) any additional information we need to decide the claim.

If we request additional information, the claimant will have 45 days to provide the information. If the claimant does not provide the requested information within 45 days, we may conclude our review of the claim based on the information we have received.

With respect to Waiver Of Premium claims (or other benefits based on disability), the person conducting the review will be someone other than the person who denied the claim and will not be subordinate to that person. The person conducting the review will not give deference to the initial denial decision. If the denial was based on a medical judgement, the person conducting the review will consult with a qualified health care professional. This health care professional will be someone other than the person who made the original medical judgement and will not be subordinate to that
person. The claimant may request the names of medical or vocational experts who provided advice to us about a claim for Waiver Of Premium (or other benefits based on disability).

If we deny any part of the claim on review, the claimant will receive a written notice of denial containing:

1. The reasons for our decision.
2. Reference to the parts of the Group Policy on which our decision is based.
3. Reference to any internal rule or guideline relied upon in deciding a Waiver Of Premium claim (or other benefits based on disability).
4. Information concerning the claimant’s right to receive, free of charge, copies of non-privileged documents and records relevant to the claim.
5. Information concerning the right to bring a civil action for benefits under section 502(a) of ERISA.

The Group Policy does not provide voluntary alternative dispute resolution options. However, you may contact your local U.S. Department of Labor Office and your State insurance regulatory agency for assistance.

Unless you provide otherwise, we will then pay the share(s) otherwise due to any deceased Beneficiary(ies) to the surviving Beneficiaries pro rata based on the relationship that the designated percentage or fractional share of each surviving Beneficiary bears to the total shares of all surviving Beneficiaries.

B. The Policyholder and your Employer act on their own behalf as your agent, and not as our agent.

If the terms of the Certificate differ from the Group Policy, the terms stated in the Group Policy will govern. The Policyholder, your Employer, and their respective employees or representatives have no right or authority to change or amend the Group Policy or to waive any of its terms or provisions without our signed written approval.

We may change the Group Policy in whole or in part when any change or clarification in law or governmental regulation affects our obligations under the Group Policy, or with the Policyholder’s consent.
