Educational Workshops & Prevention Programs

FSAP offers a variety of webinars, workshops, and prevention programs. Online self-assessments, videos, and other resources are available on our website. Topics include, but are not limited to:

- Stress Resilience in Difficult Times
- Work-life Effectiveness
- Mindfulness Practice
- Anxiety Toolbox
- Refresh From Stress: 30-day Inspiration

Virtual Support & Telemental Health Services

The FSAP offers confidential telemental health services for counseling, coaching and consultation. These services are provided via video-conferencing, using a HIPAA-compliant platform, or telephonically.

Virtual sessions are easy to access through a laptop, smart phone, or tablet with video and microphone capability.

Limited in-person appointments are offered based on current safety protocols (i.e., masking and distancing may be required).

Need Services?

Contact FSAP to schedule an appointment, request services, or learn more.

FSAP: Your Link to a Healthier You

The Faculty Staff Assistance Program offers a variety of programs and services which promote emotional, behavioral, and organizational health.

Our services are:

- Free and confidential
- Provided by licensed mental health professionals
- Available to all benefits-eligible Emory University faculty, staff, physicians, and their immediate household family members starting at age 11
- Available for work teams as well as individuals
- Offered virtually and in-person (limited in-person due to COVID protocols)

Emotional & Behavioral Health

Good emotional health facilitates enjoyment of life, whether at work or play. Given ongoing uncertainty and challenges related to the COVID-19 pandemic, making time for self-care is vital. Along with physical, financial, and social health, utilizing FSAP’s services can help you better manage life’s challenges. FSAP offers:

- Confidential assessments and short-term counseling for individuals, couples, and families, up to 8 sessions per episode
- Targeted coaching for managing stress, conflict, anger, organizational change, uncertainty, etc.
- Parental consultations and coaching; and Pre-teen and Teen services
- Well-being Check-in consultations for emotional health
- Community referrals and resources
- Help in crisis situations (on-call services 24 hours/day)
- Support for substance abuse recovery

Physician Services

To support the unique issues and concerns faced by physicians (e.g., COVID-19 impact), FSAP offers customized physician coaching services, educational programs, and behavioral mental health services.

- Key areas of focus include: Emotional Well-being, Resilience, Burnout Prevention, Self-care, Professional Skills Enhancement, Addictive Behaviors and Suicide Prevention
- Targeted services for residents and fellows
- Customized services for faculty physicians based on stage of career trajectory
- Leadership consultations for GME Program Directors and faculty physician leaders

Team Services

FSAP can help you enhance and maintain effective team relations. We offer:

- Team Listening and Resilience Sessions
- Team support following traumatic circumstances (e.g., death of a coworker)
- Leadership coaching (conflict, change management, communications and team relations, etc.)
- Leadership consultations regarding team dynamics
- Mediation services and facilitated discussions
- Departmental designated liaisons
